A LITTLE BIT ABOUT US...

Empowering Independence, Building Inclusive Communities

Creative Living empowers adults with physical disabilities to live independently by providing accessible, single-occupancy apartments near The Ohio State University campus. Each apartment is thoughtfully designed to meet the unique needs of residents who use mobility devices, featuring adaptations such as roll-in shower stalls, lowered countertops, accessible door pulls, and strategically placed switches and thermostats. These features create a barrier-free environment that promotes autonomy and ease in daily living.

Creative Living is an exempt organization as described in Section 501C(3) of the Internal Revenue Code.

The Creative Living Golf Classic welcomes players from all around the country to participate in a day of friendly competition for a great cause. And, as a way to show players who have traveled the impact they have on our facilities first-hand, we've created our Open House...
